## Abba, Tiger

The city is a jungle you better take care never walk alone after midnight if you don't believe it you better beware of me

I am behind you I always find you I am the tiger people who fear me never go near me I am the tiger

The city is a nightmare a horrible dream some of us will dream it forever look around the corner and try not to scream, it's me

I am behind you I always find you I am the tiger people who fear me never go near me I am the tiger

Yellow eyes are glowing like the neon lights yellow eyes the spotlights of the city nights

I am behind you I always find you I am the tiger people who fear me never go near me I am the tiger

The city is a prison you never escape you're forever trapped in the alleys look into the shadows and you'll see the shape of me

I am behind you I always find you I am the tiger people who fear me never go near me I am the tiger

Yellow eyes are glowing like the neon lights yellow eyes the spotlights of the city nights

I am behind you
I always find you
I am the tiger
people who fear me
never go near me
I am the tiger
and if I meet you
what if I eat you

I am the tiger I am behind you I'll always find you I am the tiger
