

Abby Lee, Square One

Tell me, what is this fascination
That I seem to be having over you
It's not what I'm used to
How do I get past this frustration
I see you, I can't speak, it isn't fun
I'm back to square one

My heart is racing to your beat
Just one look and I turn weak
And I cannot look you in the eye

So I don't say what I am thinking
Hold me close and don't ever let me go
If I could, I'd tell you so
So I don't say what I am feeling
You could be, be the one that I run to
But I'm hopeless around you
And I'm back to square one

Tell me, what's this infatuation
That I seem to be having over you
How do I keep my cool
I know it might seem like I can't stand you
The truth is far from this, though I look so numb
I'm back to square one

My heart is racing to your beat
Just one look and I turn weak
And I cannot look you in the eye

So I don't say what I am thinking
Hold me close and don't ever let me go
If I could, I'd tell you so
So I don't say what I am feeling
You could be, be the one that I run to
But I'm hopeless around you
And I'm back to square one

So I don't say what I am thinking
Hold me close and don't ever let me go
If I could, I'd tell you so
So I don't say what I am feeling
You could be, be the one that I run to
But I'm hopeless around you
And I'm back to square one
And I'm back to square one
And I'm back to square one
