

Above And Beyond, Can't Sleep

4.30 A.M, I'm awake again
Singing to the dark through open eyes
While dreaming I see only you and me
Stuck between desire and compromise
If I said I want you back I'd be a liar
There's nothing left of us to long for anymore
But inside the ashes burns an endless fire
And every night I can't help reaching out for more
And I can't sleep... You're so far away from me
And I can't sleep... And I can't sleep
And I can't sleep... You're so far away from me
And I can't sleep... And I can't sleep
You're leaving me scars scattered in my heart
A road map of all the places you have been
And I can't escape, can't wash this away
Love has burned your mark so deep within
If I said I want you back I'd be a liar
There's nothing left of us to long for anymore
But inside the ashes burns an endless fire
And every night I can't help reaching out for more
And I can't sleep... You're so far away from me
And I can't sleep... And I can't sleep
And I can't sleep... You're so far away from me
And I can't sleep... And I can't sleep
And I can't sleep... You're so far away from me
And I can't sleep... And I can't sleep
And I can't sleep... You're so far away from me
And I can't sleep... And I can't sleep
