

# Above And Beyond, Can't Sleep

4.30 A.M, I'm awake again  
Singing to the dark through open eyes  
While dreaming I see only you and me  
Stuck between desire and compromise  
If I said I want you back I'd be a liar  
There's nothing left of us to long for anymore  
But inside the ashes burns an endless fire  
And every night I can't help reaching out for more  
And I can't sleep... You're so far away from me  
And I can't sleep... And I can't sleep  
And I can't sleep... You're so far away from me  
And I can't sleep... And I can't sleep  
You're leaving me scars scattered in my heart  
A road map of all the places you have been  
And I can't escape, can't wash this away  
Love has burned your mark so deep within  
If I said I want you back I'd be a liar  
There's nothing left of us to long for anymore  
But inside the ashes burns an endless fire  
And every night I can't help reaching out for more  
And I can't sleep... You're so far away from me  
And I can't sleep... And I can't sleep  
And I can't sleep... You're so far away from me  
And I can't sleep... And I can't sleep  
And I can't sleep... You're so far away from me  
And I can't sleep... And I can't sleep  
And I can't sleep... You're so far away from me  
And I can't sleep... And I can't sleep
