

Above & Beyond, Love Is Not Enough (feat. Zoë Johnston)

I've had too many, a good cry for you
Well, this is my time to say goodbye to you
In my heart of hearts
I know there's more love left for you
But love is not enough of light to see the journey through

This is not yours alone, it hurts me too
Please don't say you don't care, I know you do

In my heart of hearts
I know there's more love left for you
Love is not enough of light to see the journey through

Love is not enough for me,
If it screams when you hold it
Love is not enough for me,
Love is hurting if it screams
Oh, if it's screaming out loud,
I've been screaming for love

Love is not enough

In my heart of hearts
I know there's more love left for you
Love is not enough of light to see the journey through

One day you will fly away from here
One day you'll leave your hurts behind
