

Abraxas, Cry Of The Nature

[Music: Mindner, Rohner; Lyrics: Klauke]

[Verse 1:]

Cracked by the storm
the waves and the sea
the ship sinks down on the ground
Filled up with oil that streams to the sea
turning the blue into black

[Bridge 1:]

When do we learn to prevent our faults?
When do we turn back to life?
This is the world where we only can live!
There will be no second chance!

[Refrain:]

The cry of the nature is seldom be heard
a slap in it's face all we gave
The air is polluted we can't breath at all
The dice will be cast here at last

[Verse 2:]

We poison our rivers we dirten the air
Nobody cares about it all
Turning our heads everyday everytime
it's only a matter of time

[Bridge 2:]

Now it is time to prevent our mistakes
Now it is time to turn back!
This world's the only place where we can live
there will be no second chance!

[Refrain:]

The cry of the nature is seldom be heard
a slap in it's face all we gave
The air is polluted we can't breath at all
The dice will be cast here at last

[Bridge 2:]

Now it is time to prevent our mistakes
Now it is time to turn back!
This world's the only place where we can live
There will be no second chance!

[Refrain:]

The cry of the nature is seldom be heard
a slap in it's face all we gave
The sense of our times are running away
Give us a chance - so just give us a chance
give us a chance to survive
