

# AC/DC, Borrowed Time

Got the word, getting ready  
Gonna get my pay from ? ? ? ?  
I'm in light, ? ? ? ?  
When the action is hot, ? ? ? ?  
No town, no city  
Gonna be free from the jumping jack  
Kiss of life, getting gritty  
If the mule don't kick you know the mule don't ride  
And I know, yes I know, well I know  
That's the way to go  
And I know, and I know  
And I know that I'm gonna get it down the road

Chorus:  
Cause I'm living on a borrowed time  
Do it your way, I'll do it mine  
Living on a borrowed time  
Don't need a shove, don't need a sign

Call me names, call me crazy  
Don't try to stop me when I feel this way  
It's a game, (whoopsy daisy? )  
Here comes another girl to make my day  
And I know, yes I know, well I know  
That's the way to go  
And I know, yes I know  
I'm gonna get up when I'm up on the road

Chorus  
(so long, goodbye, good luck, au revoir baby)

(look out people, never let me loose)

Chorus

I don't need a sign to show me the way
