SINGLE: It's A Long Way To The Top/Can I Sit Next To You Girl

(Young, Young)

I met this girl for the first time on Saturday night
Standing in the queue at the Odeon alright
Oh I took her by surprise
When I gave her one of my lines
She started smiling at me real fine (ha ha)
That's when I said

Can I sit next to you, girl

At intermission we were doing alright
Until this guy came up and stood by her side
Oh I took him by surprise
When I gave him one of my lines
She started smiling at me real fine
And that's when I said

Can I sit next to you, girl
