AC/DC, R.I.P. (Rock In Peace)

(Young, Young, Scott)

Leave me alone Like a dog with a bone Like a stone that's been thrown Let me be on my own

[Chorus:]
Let me rock
Let me roll
Let me rock
Let me rock in peace

Outta my way Got a boogie to play Every dog has his day Rock 'n' roll's here to stay

[Chorus]

(Feels good, for my mama, just like I knew it would)

I get my kicks Outta playin' my licks Outta layin' my chicks Down on Route 66

[Chorus]

Rock, rock, rock in peace

Outta my way Got a boogie to play Every dog has his day Rock 'n' roll's here to stay

[Chorus]

Rock, rock, rock in peace

Like Little Richard
Oh Jerry Lee
Chuck baby
I wanna rock
Let me rock in peace
