ROCKIN' IN THE PARLOUR

SINGLE: Rockin' In The Parlour/Can I Sit Next To You Girl (July 22, 1974)

Sung by Dave Evans

(Young, Young)

I met her in Caroline  
Round about sixty-nine  
Well she came up to me and said, Hi there honey  
How'd you like to come along

CHORUS:

Cause we're gonna have a party  
Yeah a rock 'n' roll party  
Well we're gonna have a party  
And before I knew  
We were rockin' in the parlour  
Rockin' in the parlour

Well the next time I saw her roll  
Was way down in Mexico  
She said, I've got some booze around at my place  
So come along and have some fun

CHORUS
