

# AC/DC, Shot Of Love

(Come on now,  
Come on, come on, yeah, ow!)

Come on honey, take a trip with me  
We'll take a double shot of ecstasy  
I'll drink some water from a wooden cup  
And keep a rockin' 'til the sun comes up

CHORUS:

And I warn you  
It's the best shot of your life  
And I warn you  
It's the best shot of your life  
Shot of love  
Shot of love

Rock you little lady make you blow and bleed  
A little bit of what you need is guaranteed  
Come on now honey we'll get full of desire  
A humping and a bumping till we start a fire (a huffin' and a puffin') ?

CHORUS

(Shot of love - I'm gonna make you plead)  
(yeah, yeah, yeah, yeah, yeah, awright ooh hoo hoo baby oh baby)

CHORUS

Shot of Love

Like to plead?  
Shot of love, Shot of love, Shot of love  
A humping and pumping got you jumping  
Shot of love, Shot of love, Shot of love  
A little bit of what you need is guaranteed  
Shot of love, Shot of love, Shot of love  
Let me warn you, I'm coming for you  
Shot of love, Shot of love, Shot of love  
Shot of love, Shot of love  
Come on give me shot of love
