AC/DC

Ballbreaker

Whiskey On The Rocks

I've drinkin' all night long

So long baby, I'm gone

Bloody Mary, give me shivers from a shot

Set up the shooters, it's time for a drop

Old Jamaica, runnin' we come

Down at the Hatch Jack, the women and the fun

We drink a lot, that demon drop

This one's on me and here's to you

CHORUS:

Whiskey on the rocks

A double or a shot

Whiskey on the rocks

Elixir from the top

Drinkin' Mai Tai, Singapore sling

Beam me up Jim, it's time to come in

I'll have one more afore ye close up the door

It's on the house Mac, it's whiskey galore

We drink a lot, that demon drop

This one's on me, here's mud in your eye

CHORUS

I'm drinkin'

Whiskey on the rocks

Pour me a double here comes trouble on the rocks

Whiskey on the rocks
