Ace Of Base, All That She Wants (Remix)

Ace Of Base Miscellaneous All That She Wants (Remix) She leads a lonely life She leads a lonely life

When she woke up late in the morning light And the day had just begun She opened up her eyes and thought Oh what a morning It's not a day for work It's a day for catching tan Just laying on the beach and having fun She's goning to get you

All that she wants is another baby She's gone tomorrow boy All that she wants is another baby All that she wants is another baby She's gone tomorrow boy All that she wants is another baby All that she wants - all that she wants

So if you are in sight and the day is right She's the hunter you're the fox The gentle voice that talks to you won't talk forever It is a night for passion But the morning means goodbye Beware of what is flashing in her eyes She's going to get you

All that she wants...
