

Ace Troubleshooter, Rudy

Rudy was my friend
But he had an end
Oh yes, I did send him
Into an eternal sleep
I'm so sorry, boy
No longer my toy
Oh my pride and joy
You no longer go beep

Rudy my electronic penguin
I'm so sorry boy
I hope you rest in peace

Oh my Rudy, how I miss you

Maybe we'll meet in a better world
Filled with penguin boys
And penguin girls
But until then
My love for you will never cease
And I just hope
That you will rest in peace

Oh my Rudy, how I miss you
