

# Acroma, Sun Rises Down

Hey  
Something went wrong I feel great  
And I don't know why but I feel  
Like I could do anything now

Hey  
Why in the hell did I wait?  
When's the last time I felt real?  
Like I could do anything now

But man I can't live if I'm fearing life  
I stood to the side for so long it seems right  
When it comes to self loathing  
I put in my time now I say

I don't need you or anything now  
I'll give up when my sun rises down  
As for now I can see I've become  
One brief blinding glimpse of the sun

Hey  
Somehow I see through the lies  
I see all life comes from the spring  
And I can do anything now

Hey  
Feels like I'm losing my mind  
Who needs your attacks all the suffering?  
When I could do anything now

But man I can't live if I'm fearing life  
I stood to the side for so long it seems right  
And when it comes to self loathing  
I put in my time now I say

I don't need you or anything now  
I'll give up when my sun rises down  
As for now I can see I've become  
One brief blinding glimpse of the sun
