

# Action Action, Four Peice Jigsaw Puzzle

Starting to come together  
Starting to all make sense  
We began to blossom, so perfect  
I'm starting to understand  
And you have made this cove for us, again  
If this was any other day  
I'd surely just walk away  
Working it out so perfect  
A picture worth a thousand words,  
Can't believe we took it, so wasted  
I'm starting to understand  
And I gather all myself, for you
