## Action Action, Four Peice Jigsaw Puzzle

Starting to come together
Starting to all make sense
We began to blossom, so perfect
I'm starting to understand
And you have made this cove for us, again
If this was any other day
I'd surely just walk away
Working it out so perfect
A picture worth a thousand words,
Can't believe we took it, so wasted
I'm starting to understand
And I gather all myself, for you
