

# Adam Kubera, I Don't Care (ft. Carla Fernandes)

I am on the party  
I don't wanna be at  
and I don't ever wear a suit and tie  
wondering if I could sneak out the back  
nobody's even lookin' me in my eyes  
can you take my hand?  
finish my drink, say: shall we dance  
you know I love ya  
did I ever tell ya?  
you make it better like that

don't think I fit in at this party  
everyone's got so much to say  
I always feel like I'm nobody, mm  
who wants to fit in anyway?

cause  
I don't care when I with my baby yeah  
all the bad things disappear  
and you're making me feel like  
maybe I am somebody  
I can deal with the bad nights

when I am with my baby  
cause I don't care as long as you just hold me near  
you can take me anywhere  
and you're making me feel like  
I'm loved by somebody  
I can deal with the bad nights  
when I am with my baby

We're on the party  
we don't wanna be at  
tryna talk, but we can't hear ourselves  
press your lips  
I'd rather kiss them right back  
with all these people all around

I'm crippled with anxiety  
but I'm sold it's where we're supposed to be  
you know what?  
it's kinda crazy  
cause I really don't mind  
and you make it better like that

don't think we fit in at this party  
everyone's got so much to say  
when we walked in, I said I'm sorry  
but now I think that we should stay

cause  
I don't care when I with my baby yeah  
all the bad things disappear  
and you're making me feel like  
maybe I am somebody  
I can deal with the bad nights

when I am with my baby  
cause I don't care as long as you just hold me near  
you can take me anywhere  
and you're making me feel like  
I'm loved by somebody  
I can deal with the bad nights  
when I am with my baby

I don't like nobody, but it's like  
you're the only one here  
I don't like nobody but you  
Baby I don't care  
I don't like nobody but you  
I hate everyone here  
I don't like nobody but you, baby

cause  
I don't care when I with my baby yeah  
all the bad things disappear  
and you're making me feel like  
maybe I am somebody  
I can deal with the bad nights

when I am with my baby  
cause I don't care as long as you just hold my near  
you can take me anywhere  
and you're making me feel like  
I'm loved by somebody  
I can deal with the bad nights  
when I am with my baby
