

Adam Lambert, Aftermath

(*Lambert, Ferras, Alisan Porter, Ely Rise)

Have you lost your way?

Livin' in the shadow of the message that you made

And so it goes

Everything inside your circle starts to overflow

Take a step before you leap

Into the colours that you seek

You give back what you give away

So don't look back on yesterday

Wanna scream out

No more hiding

Don't be afraid of what's inside

Gonna tell ya you'll be alright

In the Aftermath

Anytime anybody pulls you down

Anytime anybody says you're not allowed

Just remember you are not alone

In the Aftermath

You feel the weight

Of lies and contradictions that you live with every day

It's not too late

Think of what could be if you rewrite the role you play

Take a step before you leap

Into the colours that you seek

You give back what you give away

So don't look back on yesterday

Wanna scream out

No more hiding

Don't be afraid of what's inside

Gonna tell ya you'll be alright

In the Aftermath

Anytime anybody pulls you down

Anytime anybody says you're not allowed

Just remember you are not alone

In the Aftermath

In the Aftermath

Before you break you have to change your own mind

Take a trip and fall into the pit

Tell a stranger that their view is full

So all you feel is love love

All you feel is love love

Wanna scream out

No more hiding

Don't be afraid of what's inside

Wanna tell you you'll be alright

In the Aftermath

Wanna scream out

No more hiding

Don't be afraid of what's inside

Gonna tell ya you'll be alright

In the Aftermath

Anytime anybody pulls you down

Anytime anybody says you're not allowed

Just remember you are not alone

In the Aftermath

In the Aftermath

Gonna tell ya you'll be alright

In the Aftermath

In the Aftermath

Just remember you are not alone
