

# Adam Lambert, Never Close Our Eyes

I wish that this night would never be over  
There's plenty of time to sleep when we die  
So let's just stay awake until we grow older  
If I had my way we'd never close our eyes, our eyes, never!

I don't wanna let a minute get away  
Cause we got no time to lose  
None of us are promised to see tomorrow  
And what we do is ours to choose

Forget about the sunrise  
Fight the sleep in your eyes  
I don't wanna miss a second with you  
Let's stay this way forever  
It's only getting better if we want it to

But you know I wish that this night would never be over  
There's plenty of time to sleep when we die  
So let's just stay awake until we grow older  
If I had my way we'd never close our eyes, our eyes, never!

It's so hard to think this would fade away  
But what goes up must come down  
Why can't we just live life with no consequence  
That no way living the now

Forget about the sunrise  
Fight the sleep in your eyes  
I don't wanna miss a second with you  
Let's stay this way forever  
It only gets better if we want it to

You know that I wish that this night would never be over  
There's plenty of time to sleep when we die  
So let's just stay awake until we grow older  
If I had my way we'd never close our eyes, our eyes, never
