

# Adam & The Ants, Deutscher Girls

We'll do the tango  
We'll try the foxtrot  
I'll eat a mango  
You'll drink a straight scotch  
You know I told you  
You could be classy  
So why did you have to be so nasty

Remember the curls  
Of the Deutscher girls  
Lover of mine  
From down the Rhine

I'll fill your bath with  
The finest champagne  
I'll lick your skin dry  
I cherish your name  
The stakes get higher  
As your dress sparsely  
So why did you have to be so nasty

Remember the curls  
Of the Deutscher girls  
Lover of mine  
From down the Rhine

I love your blonde hair  
I kiss your pigtails  
And I could not share  
The scratch of your nails  
And though you mock me  
Your eyes so glassy  
Oh why did you have to be so nasty

I said remember the curls  
Of the Deutscher girls  
Lover of mine from down the Rhine
