

ADAM, Ugly Smile

I want, to live without this face
I wanna love,instead to hate today
I won't let this build up inside of me
and I still, don't care at all
You taught me limits
don't belongs to me.
Loneliness be my guest
Sadness be my friend.

Drain out all the ugliness inside
run in, desperate cry
Hide again your dreams inside the cage
filthy face ,with ugly smile

Don't let my mother cry my blood again
Don't let my mother cry my blood again

Drain out all the ugliness inside
run in, desperate cry
Hide again your dreams inside the cage
filthy face ,with ugly smile
