If Wishes Were Horses

Come with me you can wish upon a star  
You can do all the things that you've longed to  
And you won't have to wonder who you are  
You can be anybody you want to  
In a land full of promises and kings  
All your best laid dreams are for catchin'  
You can have the world to tie up on a string  
Just close your eyes and imagine

If wishes were horses

Beggars would ride

All dreams and desires would ride along side

Worries and troubles would fall off behind

If wishes were horses, beggars would ride

To a land far or near come along

There's an all new-round everyday glow

Like the young girl sang in the song

"Somewhere over the rainbow"
