Adele, Cold Shoulder

You say it's all in my head And the things I think just don't make sense So where you been then? Don't go all coy Don't turn it round on me like it's my fault

See I can see that look in your eyes The one that shoots me each and every time

You grace me with your cold shoulder Whenever you look at me I wish I was her You shower me with words made of knives Whenever you look at me I wish I was her

These days, when I see you You make it look like I'm see-through Do tell me why you waste our time When your heart ain't admitting you're not satisfied

You know I know just how you feel I'm starting to find myself feeling that way too

When you grace me with your cold shoulder Whenever you look at me I wish I was her You shower me with words made of knives Whenever you look at me I wish I was her

Time and time again I'll play the role of fools (just for you) Even in the daylight when you're dreaming (I'm close to you) Try to look for things I hear but our eyes never find Even though I do know how you play

You grace me with your cold shoulder Whenever you look at me I wish I was her You shower me with words made of knives Whenever you look at me I wish I was her

You grace me with your cold shoulder Whenever you look at me I wish I was her You shower me with words made of knives Whenever you look at me I wish I was her
