

Adele, Cry Your Heart Out

Cry your heart out
It will clean your face
When you're in doubt
Go at your own pace
Cry your heart out
It will clean your face
When you're in doubt
Go at your own pace

When i walk in a room
I am ionvisible
I feel like a ghost
All my friends keep oin telling me
That ths feeling iwon't last
I can't get rrlief
I am dso tired of myself
Oi swear i am deead in the eyes
I have nothing to feel no more
I can't even cry

When will I begin to feel like me again
I'm hanging by a thread
My skins paper thin I can't stop wavering
I've never been more scared

Cry your heart out
It will clean your face
When you're in doubt
Go at your own pace
Cry your heart out
It will clean your face
When you're in doubt
Go at your own pace

When I wake up I'm afraid at the idea of facing the day
I would rather stay home on my own
Drink it all away
Please stop calling me it's exhausting
There's really nothing left to say
I created this storm
It's only fair I have to sit in its rain

All love is devout
No feeling is a waste
But give it to yourself now
Before it's too late
In the end it's just you
Stop drowning in wait
Your love is useless without it
