

# Adele, Hiding my heart

This is how the story went  
I met someone by accident  
Who blew me away  
Blew me away  
And it was in the darkest of my days  
When he took my sorrow  
And he took my pain  
And buried them away  
Buried them away  
I wish I could lay down beside you  
When the day is done  
And wake up to your face  
Against the morning sun  
But like everything I've ever known  
You'll disappear one day  
So I'll spend my whole life hiding my heart away  
Dropped you off at the train station  
Put a kiss on top of your head  
Watched you away  
Watched you away  
And I went on home to my sky scrapers  
And neon lights and wedding papers  
That I call home  
I call that home  
I wish I could lay down beside you  
When the day is done  
And wake up to your face  
Against the morning sun  
But like everything I've ever known  
You'll disappear one day  
So I'll spend my whole life hiding my heart away  
Away  
Woke up feeling heavy-hearted  
I'm going back to where I started  
Born and raised  
Morning rain  
And though I wish that you were here  
On that same old road that brought me here  
It's calling me home  
It's calling me home  
I wish I could lay down beside you  
When the day is done  
And wake up to your face  
Against the morning sun  
But like everything I've ever known  
You'll disappear one day  
So I'll spend my whole life hiding my heart away  
I can't spend my whole life hiding my heart away
