

Adele, I Drink Wine

How can one become so bounded by choices that somebody else makes?
How come we both become a version of a person we don't even like?
We're in love with the world but the world just wants to bring us down
By puttin' ideals in our heads to corrupt our hearts somehow
When I was a child every single thing could blow my mind
Soaking it all up for fun but now I only soak up wine
They say to play hard, you work hard, find balance in the sacrifice
And yet I don't know anybody who's truly satisfied

You better believe I'm trying
Trying, trying
To keep climbing
Climbing, climbing
But the higher we climb feels like we're both none the wiser

So I hope I learn to get over myself
Stop trying to be somebody else
So we can love each other for free
Everybody wants something
You just want me

Why am i obsessing about you the things i can't control
Why am i seeking approval from people i don't even know?
In these crazy Times i hope
I can find something i can cling onto
Cause i need some substance in my life
Something real
Something that feels true

You better believe for you I've cried
I've cried, I've cried
High tides
High tides, high tides
Want you so bad, but you can't fight fire with fire
