

# Adele, Love Is a Game

[Verse 1]

All your expectations of my love are impossible  
Surely you know, that I'm not easy to hold  
It's so sad how incapable of learning to grow I am  
My heart speak in puzzles and codes  
I've been trying my whole life to solve  
God only knows how I've cried  
I can't take another defeat  
A next time would be the ending of me  
Now that I see, ee-ee, ee-ee

[Chorus]

That love (Ooh-oo) is a game (Ooh-oo) for fools to play (Ooh, ooh, ooh)  
And I ain't fooling (Fooling), what a cruel thing (Cruel thing)  
To self-inflict that pain, yeah, yeah-yeah, yeah  
Love (Ooh-oo) is a game (Ooh-oo) for fools to play (Ooh, ooh, ooh)  
And I ain't fooling (Fooling), what a cruel thing (Cruel thing)  
To self-inflict that pain

[Verse 2]

How unbelievable (Unbelievable)  
Of me to fall, for the lies that I tell? (Lies I tell)  
The dream that I sell? (Dream I sell)  
When my heart ache, it's inevitable (It's inevitable)  
But I'm no good at doing it well  
Not that I care (I don't care)  
Why should anything about it be fair?
