

Adele, My Little Love

My little love, I see your eyes widen like an ocean
When you look at me so full of my emotions
I am, finding it hard to be here sincerely
I know you feel lost
It's my fault completely

Tell me you love me
(I love you a million %)

I don't recognise myself in the coldness of the daylight
So I ain't surprised you can read through all of my lies
I feel so bad to be here when I'm so guilty
I'm so far gone and you're the only one who can save me

I feel like you don't love me
Why do you feel like that?
Do you like me?
You know daddy doesn't like anyone else like I like you, right

I'm holding on (barely)
Mamas got a lot to learn
It's heavy
I'm holding on (catch me)
Mamas got a lot to learn
Teach me

(dialog z synem)

My little love, tell me do you feel the way my past aches
When you lay on me can you hear the way my heart breaks
I wanted you to have everything I never had
I'm so sorry if what I've done makes you feel sad
