

# Adele, To Be Loved

I built a house for a love to grow  
I was so young, it was hard to know  
I'm as lost now as I was back then  
Always make a mess of everything  
it's about time that I face myself  
All I do is bleed into someone else  
Painting walls with all my secret tears  
Filling rooms with all my hopes and fears

But all, all my  
I'll never learn if I never leave  
I'll always yearn if i never speak  
To be loved and love dat the ghights count  
Means to lose all the things I cant live without  
Let it be known that i will choose to lose  
It's a sacrifice  
But i cant live a lie  
Let it be known, let it be known, that I tried

I'm so afraid but I'm open wide  
I'll be the one to catch myself this time  
Trying to learn to lean into it all  
Aint it funny how the mighty fall  
Looking back I don't regret a thing  
I took some bad turns that i am owning  
I'll stand still and let the storm pass by  
Keep my heart safe 'till the time feels right

But all, all my  
I'll never learn if I never leave  
I'll always yearn if i never speak  
To be loved and love dat the ghights count  
Means to lose all the things i cant live without  
Let it be known that i will choose to lose  
Its a sacrifice  
but i cant live a lie  
let it be known, let it be known

That I cried for you  
Even started lying too  
What a thing to do  
All because i wanted  
To be loved and love dat the ghights count  
Mrans to lose all the things i can't live without  
Let it be known that i will choose to lose  
It's a sacrifice  
But i can't live a lie  
Let it be know  
Let it be know  
That i tried  
Let it be know  
Let it be know  
Let it be know
