Aerosmith, Angel's Eye

What ya gonna do when the angels come Get movin', yeah movin'

I'm gonna get your kicks from the 911

It's groovin'...so soothing

Your passions deplete, it's just looking to feed

Your own fantasy

The blind side of you is a bad dream come true

That you can't see

Chorus:

From an angel's eye

Kiss your life goodbye

From an angel's eye

Ain't no place to hide

Tell me what you see through an angel's eye

The halo...on fire

You never really know till it's do or die

Your devil's desire

Your running in place like a rat in a race

Going no where

The evil you speaks from the tongue of the freaks

So don't go there

Chorus

What ya gonna do when the angel's come

What ya gonna do when you come undone

I'm gonna get your kicks from the 911

Ya so bad...can't hold them

From an angel's eye

Kiss your life goodbye

From an angel angel angel's eye

Ain't no place to hide

Fallen angel

Fallen angel

Fallen angel
