Dulcimer Stomp/The Other Side

come on

lovin' you has got to be

(take me to the other side)

like the devil and the deep blue sea

(take me to the other side)

forget about your foolish pride

(take me to the other side)

oh take me to the other side

(take me to the other side)

my mama told me there'd be days like this

and man she wasn't foolin'

'cause I just can't believe the way you kiss

uh huh

you opened up your mouth with baited breath

you said you'd never leave me

you love me, you hate me, I tried to take the loss

you're cryin' me a river but I got to get across

lovin' you has got to be

(take me to the other side)

like the devil and the deep blue sea

(take me to the other side)

forget about your foolish pride

(take me to the other side)

oh take me to the other side

(take me to the other side)

I'm lookin' for another kind of love

oh lordy how I need it

the kind that likes to leap without a shove

oh honey, best believe it

to save a lot of time and foolish pride

I'll say what's on my mind, girl

you loved me, you hate me, you cut me down to size

you blinded me with love and yeah it opened up my eyes

lovin' you has got to be

(take me to the other side)

like the devil and the deep blue sea

(take me to the other side)

my conscience got to be my guide

(take me to the other side)

oh honey take me, take take take take take ow

take me to the other side

I'm lookin' for another kind of love

oh lordy how I need it

the kind that likes to leap without a shove

honey, you best believe it

now I ain't one for sayin' long goodbyes

I hope all is forgiven

you loved me, you hate me, I used to be your lover

you know you had it comin' girl so take me to the other side

take me to the other side

take me to the other side

lovin' you has got to be

(take me to the other side)

like the devil and the deep blue sea

(take me to the other side)
