## Aerosmith, Flesh

The day rolls in, the night rolls out Desire rules without a doubt The heart beats fast, you salivate And when you come it won't be late I guess by now you got the score A little taste you want it more From San Antonio to Marrakesh Yeah when the night comes Every body's gotta have FLESH You got me all soakin' wet FLESH - the only thing that's worth the sweat From the day that Eve did Adam Down to Romeo and Juliette Everybody gotta have... The prince of lust has met his match The witch has brewed her baddest batch His sword is sharp and hard as stone Her cauldron begs for one more bone And so my love, this story's told From modern times to days of old From Boston Mass to Bangladesh Yeah, when the night comes Everybody's gotta have FLESH It's got me all soakin' wet FLESH - the only thing that's worth the sweat, yeah From the Mississippi River To the highest mountain in Tibet Everybody gotta have... FLESH - you got me all soakin' wet FLESH - the only thing that's worth the sweat FLESH - you got me all soakin' wet FLESH - the only thing, the only thing, the only thing From a suvie in a Rickshaw to a bimbo in a pink Corvette Everybody gotta have...
