

# Aerosmith, Girls Of Summer

When winter hush turns summer pink  
In half the time it takes to blink  
But it all depends on what'choo think  
About the girls of summer

When all you think of all day long  
Is a pretty face inside a song  
With a thought like that you can't go wrong  
About the girls of summer

Oh yeah... (Do you know... everybody knows now)

Some girls are all about it  
Some girls they love to let it fly  
Some girls can't live without it  
Some girls are born to make you cry

Over & over again

My favorite thing that drives me wild  
Is when a city girl walks a country mile  
For a boy she loves God bless the child  
Inside the girls of summer

Oh yeah... (Do you know... everybody knows now)

Some girls are all about it  
Some girls they love to let it fly  
Some girls can't live without it  
Some girls are born to make you cry

Yeah... over & over again  
Yeah... yeah... yeah... yeah... yeah

They get'choo climbin' the walls  
They get'choo caught in their spell  
They get'choo speakin' in tongues  
Could this be Heaven or Hell  
To fall in love twice a day  
Is such a sweet place to be

Se - vous - play

The best things about life are free  
The pussywillow up your tree  
To the one who climbs  
They'll always be the girl... yeah

Some girls are all about it  
Some girls they love to let it fly  
Some girls no doubt about it  
Some girls are born to make you cry

Some girls can't live without it  
Some girls got twenty reasons why

Over & over & over & over & over...
