Livin' On the Edge [Single]

Something's wrong with the world today I don't know what it is Something's wrong with our eyes

We're seeing things in a different way And God knows it ain't His It sure ain't no surprise

Livin' on the edge Livin' on the edge Livin' on the edge Livin' on the edge

There's somethin' wrong with the world today The light bulb's gettin' dim There's meltdown in the sky

If you can judge a person By the color of his skin Then mister you're a better man that I

Livin' on the edge Livin' on the edge Livin' on the edge Livin' on the edge

Tell me what you think about your sit-u-a-tion Complication - aggravation Is getting to you

If chicken little tells you that the sky is fallin'
Even if it wasn't would you still come crawlin'
Back again?
I bet you would my friend
Again & Description of the sky is fallin'
Again & Samp; agai

Tell me what you think about your sit-u-a-tion Complication - aggravation Is getting to you

If chicken little tells you that the sky is fallin'
Even if it wasn't would would you still come crawlin'
Back again?
I bet you would my friend
Again & Eamp; again & Eamp; again & Eamp; again

Something's right with the world today And everybody knows it's wrong But you can't retrieve what you can't conceive So I would rather be a hanging on

Livin' On the Edge Yeah, yeah, yeah, yeah, yeah, yeah Right
