

Aerosmith, Outta Your Head

All the way back in history
How a girl thinks is a mystery
We spend our lives
Cruising the bars
The Venus girls and
The men from Mars

So in all this time did u ever think
Do the girl see red
When a man a sees pink
And if your best lovin's in the past
Cuz your somewhere slow
Is nowhere fast

You're outta your head
So outta your head
Stay outta your head
You better get with it
Cuz you're so without it
You're outta your head
So outta your head
Stay outta your head
Yeah, yeah
Somewhere, somewhere underneath the rainbow

Bricka bracka fiya kraka
Sis boom-bah!
Here comes trouble
In a push up bra
Your style is sharp as carpet tack
But you're out of your box and you're way off track

You can moderate on
A mental binge
Your catastrophe's
On a lunatic fringe
It's good for the gander
It's tit for tat
You say it's all good
But it's more than that

You're outta your head
So outta your head
Stay outta your head
Yeah, yeah
Somewhere, somewhere underneath the rainbow

So in all this time did you ever think
(Think, think, think, think)

You're outta your head
So outta your head
Stay outta your head
You better get with it
Cuz you're so without it
You're outta your head
So outta your head
Stay outta your head
Yeah, yeah
Somewhere, somewhere underneath the rainbow

You're outta your head
So outta your head
Stay outta your head

You better get with it
Cuz you're so without it
You're outta your head
So outta your head
Stay outta your head
Yeah, yeah
Somewhere, somewhere underneath the rainbow
