

# Aerosmith, Painted on my heart

I thought you'd be out of my mind  
And I'd finally found a way to learn to live without you  
I thought it was just a matter of time  
Till I had a hundred reasons not to think about you  
But it's just not so,  
After all this time, I still can't let go  
I still got your face  
Painted on my heart  
Scrawled upon my soul  
Etched upon my memory, baby  
And I've got your kiss  
Still burning on my lips  
Your touch in my fingertips  
This love so deep inside of me, baby  
I've still got your face  
Painted on my heart... yea, painted on my,  
I've tried everything that I can  
To get my heart to forget you  
But it just can't seem to  
I guess it's just no use  
In every part of me  
Is a little a part of you  
And I've still got your face  
Painted on my heart  
Scrawled upon my soul  
Etched upon my memory, baby  
I've got your kiss  
Still burning on my lips  
Your touch in my fingertips  
This love so deep inside of me, baby  
I've still got your face,  
Painted on my heart,  
Painted on my heart,  
Painted on my, yea, yea yea... yea...  
Something in your eyes keeps haunting me  
I'm trying to escape you  
And I know there ain't no way to  
To chase you from my mind...  
I've still got your face  
Painted on my heart  
Scrawled upon my soul  
Etched upon my memory baby  
I've got your kiss  
Still burning on my lips  
Your touch in my fingertips  
This love so deep inside of me, baby  
I've still got your face  
Painted on my heaaaart...  
Painted on my heart...  
Paiiiinted on my heaaaart...  
Painted, pai..., painted on my heart...  
haaa, haaa, haaaooaaaooaaa...
