

Aerosmith, Shame On You

Somebody
Tryin' to take my soul
Nobody
Gotta hear my rock n' roll

Shame shame shame on you babe
Shame shame shame on you baby

No leader, steady as a ghost
Tooth sweeter, powderin her nose

Shame shame shame on you baby
Shame shame shame on you babe

A-Smith
Old Hank Pank
Pulling down your knickers
Ah who you gonna spank

Shame shame shame on you babe
Shame shame shame on you baby

Joe Perry
Ohh Mr. Style
Some kind of killer bee
Buzz awhile

Phone home last night
Be in Mass.
Bitch bitch bitchin'
Got to do this got to do that

Shame shame shame on you babe
Shame shame shame shame shame on you baby

Bogus honey
Square dance close
Ah grab your partner
Bring it home 'n dosey dosey

Shame shame shame on you babe
Shame shame shame on you baby

Sin Biase
Been shipped in
Rise on the sabbath
Try to keep it hid

Shame shame shame on you babe
Shame shame shame on you baby

Seven or Eleven
Got to roll the dice
Am I in heaven
Or am I in Miami Vice

Shame shame shame on you babe
Shame shame shame on you baby
