

# Aerosmith, Shela

Shela, Shela, she like a hurricane  
Shela, Shela, she like a ball and chain  
Shela, Shela, she like a hurricane

Got myself a lady  
Got down on my knees, yeah, yeah, yeah  
Hotter than Hades  
Heaven if you please, yeah, yeah, yeah

Some girls put it to ya  
Make you scream in pain, yeah, yeah, yeah  
Some will say they knew ya'  
And then forget your name, yeah, yeah, yeah

Shela - real tight  
Shela - that's right  
Shela

She said she could do it  
Love she could fulfill, yeah, yeah, yeah  
There ain't nothin' to it  
Backbone gets a chill, yeah, yeah, yeah
