

# Aerosmith, Something's Gotta Give

Cyberotic head explode  
Information overload  
And I just can't take anymore  
And I'm gonna break

Something's gotta give  
Tell me when to turn the screw  
Does the noise in my head bother you  
Somethings gotta give  
Comic books are comin true  
Does the noise in my head bother you

Digerotic mass appeal  
Feels like flesh but tastes unreal  
And I'm gonna break

Something's gotta give  
Tell me when to turn the screw  
Does the noise in my head bother you  
Something's gotta give  
Dont you like it  
Tell me true  
Does the noise in my head bother you  
Something's gotta give  
Hold your breath til you turn blue  
Does the noise in my head bother you  
Somethings gotta give  
Comic books are comin true  
Does the noise in my head bother you

If love that seemed to fall from grace  
Was sitting on your interface  
Your megahertz she can't forgive  
Your love it died before you ever lived

Something's gotta give  
Tell me when to turn the screw  
Does the noise in my head bother you  
Something's gotta give  
Dont you like it  
Tell me true  
Does the noise in my head bother you  
Something's gotta give  
Hold your breath til you turn blue  
Does the noise in my head bother you  
Somethings gotta give  
Comic books are comin true

Does the noise in my head bother you
