

# Aerosmith, South Station Blues

Got no place to run, no place to hide  
Sittin' at the railway station  
Destination far behind, behind  
Live my life for love, love that's hard to find  
Some are givers, I'm a taker  
Love can make you blind, make you blind

Got no time to lose, time you just can't find  
Give a dozen yesterdays to make tomorrow mine  
Make it mine  
Got one life to live, got just borrowed time  
Don't close or blink your eyes  
You'll lose your chance to fly, chance to fly

Got no place to run, no place to hide  
Sittin' at the railway station  
Destination far behind, behind  
Live my life for love, love that's hard to find  
Some are givers, I'm a taker  
Love can make you blind, make you blind
