

Aerosmith, South Station Blues

Got no place to run, no place to hide
Sittin' at the railway station
Destination far behind, behind
Live my life for love, love that's hard to find
Some are givers, I'm a taker
Love can make you blind, make you blind

Got no time to lose, time you just can't find
Give a dozen yesterdays to make tomorrow mine
Make it mine
Got one life to live, got just borrowed time
Don't close or blink your eyes
You'll lose your chance to fly, chance to fly

Got no place to run, no place to hide
Sittin' at the railway station
Destination far behind, behind
Live my life for love, love that's hard to find
Some are givers, I'm a taker
Love can make you blind, make you blind
