Aerosmith, Spaced

Spaced in time child of nine doin' twenty years on the way fire and steel earth unreal find another planet to stay papa died ma survived tellin' me about her ordeal and the soul she could not feel 'cause they made her so unreal lightnin' years disappears twenty million years on my brain synthesize overrides tryin' to keep from goin' insane and my soul I can not feel 'cause they made me so unreal spaced enough to know I feel there's nothin' out there spaced enough to know I feel I really don't care spaced enough to feel I'm really losin' my mind and I'm never ever goin' back I'm off the track no one even knows I'm alive spaced without a trace waitin' for the word to arrive I'm the last man to survive
