

Aerosmith, Wayne's World Theme

Let's do it
Alright here we go
One, two, a-one two three
It's Wayne's World, it's Wayne's World
It's party time, it's excellent
It's Wayne's World, it's Wayne's World
It's party time, it's excellent
Chicks go mental when we go down the street
It's Wayne and Garth when they want to meet
Yeah, we're in the basement playing with our toys
And if you do not like it you're a sphincter boy
Ow! Wayne's World, Wayne's World
It's party time, it's excellent
Wayne's World, Wayne's World, Wayne's World
It's party time, it's excellent, yeah
Yeah thank you thank you goodnight
(Goodnight party on Aurora rocks Aurora rocks)
Thank you goodnight God bless you
And don't forget to wear a rubber
(Aurora rocks Aurora rocks goodnight party on)
