Your my Angel

I'm in love, yet I don't know if I can face the night

I'm in tears, and the crying that I do is for you

I want your love, let's break the walls between us

Don't make it tough, I put away my pride

With your sweet love, I've suffered and I've seen the light, baby

You're my angel, come and save me tonight

You're my angel, come and make it alright

Don't know what I'm gonna do about this feeling inside

Yes, it's true, loneliness took me for a ride

Without your love, I'm nothing but a beggar

Without your love, a dog without a bone

What can I do? I'm sleepin' in this bed alone

Baby, you're my angel, come and save me tonight

You're my angel, come and make it alright

Come and save me tonight

You're the reason I live

You're the reason I die

You're the reason I give when I break down and cry

Don't need no reason why

Baby, baby, baby

You're my angel, come and save me tonight

You're my angel, come and make it alright

You're my angel, come and save me tonight

You're my angel, come and make it alright

Come and save me tonight (5 times)
