

# Afewloosescrews, Change

Today seems like yesterday  
And yesterday felt like tomorrow  
I stare at my reflection in the glass  
I wonder where the day's gone  
Change, I need a change  
I fight the voices in my head  
That drag me back to my ugly world  
I don't know where they come from  
But they're all calling my name  
Change, I need a change  
Change, I need a change  
Everyday of my life is a  
Constant struggle  
Between that which is right and that  
Which is wrong  
And I realize that I'm a slave  
To temptation  
Change, I need a change
