

AFI, Miseria Cantare

Love your hate, your faith lost.

You are now one of us.

(x2)

Nothing, from nowhere, I'm no one at all.

Radiate.

Recognize one silent call as we all form one dark flame.

Incinerate.

Nothing, from nowhere, I'm no one at all.

Radiate.

Recognize one silent call as we all form one dark flame.

As we all form one dark flame.

As we all...

Love your hate, your faith lost.

You are now one of us.

Love your hate, your faith lost.

You are now one...ONE OF US.
