

Against All Authority, Court 22

I was raised in a trailer
(Court 22)
Always told that I was a failure
(Fuck you)
Never thought that I would get outta there
(Court 22)
My father kicked me out when I shaved my hair
(Fuck you)
Never fit in with the other kids
(Court 22)
Singled out because of where I lived
(Fuck you)
I learned to fight at an early age
(Court 22)
Court 22, my aluminum cage
(Fuck you)

I got the music, the music's got me
The underground sound
It always sets me free

I got the music, the music's got me
The underground sound
It always sets me free

Hey! Hey! Hey! Hey!
Hey! Hey! Hey! Hey!

I got beat, I got punched and kicked
(Court 22)
'Cause I didn't fit in their social clique
(Fuck you)
I never ever felt like I belonged
(Court 22)
I thought that everything I did was fuckin' wrong
(Fuck you)
Punk Rock was my only escape
(Court 22)
A new found spirit no one could break
(Fuck you)
I turn up the music and feel the beat
(Court 22)
It's the only thing I ever want to keep
(Fuck you)

I got the music, the music's got me
The underground sound
It always sets me free

I got the music, the music's got me
The underground sound
It always sets me free, here we go!

Hey! Hey! Hey! Hey!
Hey! Hey! Hey! Hey!
