

Against All Authority, Kickin The Dog

Aghhh...

There's something deep inside you can't see
Or touch, and they can never take from me
No matter how hard they try
I'll never give it up till the day I die
And there's a fire fueled by hate
And it's burning deep down inside me
And I can't take it anymore...society!

There's something deep inside you can't see
Or touch, and they can never take from me
No matter how hard they try
I'll never give it up till the day I die
And there's a fire fueled by hate
And it's burning deep down inside me
And I can't take this anymore...society!
