

# Agnes Carlsson, Let Me Carry You

Hush sad the angel don't be lonely anymore  
I'm here right beside you like so many times before  
Time met again  
I've been here to fill your heart  
Tonight I'm gonna show you  
When never fall apart

[BRIDGE]

Just like before  
When you don't wanna walk anymore

[CHORUS]

Let me carry you  
Let me be the one  
Oh, let me carry you  
Let me be the one  
Let me care for you  
I can heal the pain until it's gone  
Let me care for you, so you can carry on  
Hush sad the angel you can tell me like it is  
Cause I'm not here to judge you  
All I offere you is this

Time met again

I've been here to fill your dreams  
Tonight I'm gonna show you love is closer then it seems

[BRIDGE]

[CHORUS]

When you feel like hold me I'll be there for sure

[CHORUS]
